A Workers' Compensation Program Designed for Utah AGC Members

THE PROGRAM

The Utah Associated General Contractors (AGC) has endorsed WCF Insurance as the carrier for AGC members' workers' compensation insurance coverage.

By combining benefits designed to meet Utah AGC members' needs with traditional services, the program offers the most comprehensive workers' compensation package available.

PREMIUM DISCOUNT

Eligible and enrolled Utah AGC members qualify for a 5% discount on their workers' compensation premiums.

PERSONALIZED SERVICE

Members have account service teams that work with the company to develop and implement a custom-tailored service plan that meets your needs.

LOSS PREVENTION

Participating Utah AGC members are required to comply with program provisions, including attendance at two industry-specific safety classes or seminars annually. To help meet this requirement, WCF Safety Department offers free seminars exclusively for members in addition to classes already offered throughout the year.

CLAIMS MANAGEMENT

WCF offers the most convenient and exceptional claims management in the state. Claims can be filed at wcf.com or by phone or fax. Members can also utilize WCF's secure website to view filed claims, print loss runs and certificates of insurance, complete OSHA forms, and access other policy-specific information.

This workers' compensation program is being offered to all Utah AGC members who qualify. AGC members already insured with WCF are eligible for AGC savings on their workers' compensation premiums upon renewal.
