PREVENTING BACK INJURY

SAFETY TOPICS: Workers Compensation Fund's Safety Department is dedicated to helping policyholders with their safety needs. The following information on preventing back injuries represents just one of more than 60 safety topics available on the WCF website. To learn more about workplace safety, go to the WCF website (www.wcfgroup.com), or call the Safety Department toll free at 1-800-446-2667 Ext. 8105
