A Workers' Compensation Program Designed for HBA of Utah Members

THE PROGRAM

The Home Builders Association (HBA) of Utah has endorsed WCF Insurance as the carrier for HBA members' workers' compensation insurance coverage.

By combining benefits designed to meet HBA of Utah members' needs with traditional services, the program offers the most comprehensive workers' compensation package available.

PREMIUM DISCOUNT

Eligible and enrolled HBA of Utah members qualify for a 5% discount on their workers' compensation premiums.

PERSONALIZED SERVICE

Members have account service teams that work with the company to develop and implement a custom-tailored service plan that meets your needs.

LOSS PREVENTION

Participating HBA of Utah members are required to comply with program provisions, including attendance at two industry-specific safety classes or seminars annually. To help meet this requirement, WCF Safety Department offers free seminars exclusively for members in addition to classes already offered throughout the year.

CLAIMS MANAGEMENT

WCF offers the most convenient and exceptional claims management in the state. Claims can be filed at wcf.com or by phone or fax. Members can also utilize WCF's secure website to view filed claims, print loss runs and certificates of insurance, complete OSHA forms, and access other policy-specific information.

This workers' compensation program is being offered to all HBA of Utah members who qualify. HBA of Utah members already insured with WCF are eligible for HBA of Utah savings on their workers' compensation premiums upon renewal.
