City	State	Zip Code	Fax Number

In order to be eligible for, and continue in the program, I/we agree to adhere to the following:

1. Implement written recommendations made by WCF Insurance's safety and health staff pertaining to hazards that would qualify as OSHA serious violations.
2. Attendance by an owner, member of management or supervisor at a minimum of two WCF Insurance safety seminars each policy year. These seminars must be conducted by WCF Insurance's safety and health staff. Association sponsored seminars may be used to satisfy this requirement only if the course has been pre-approved by WCF Insurance's safety and health management and the content is directly related to injury prevention. This requirement may also be satisfied by completion, within the policy year, of an OSHA 10-hour or 30-hour course. A copy of the student's graduation certificate with the signature of an OSHA approved instructor must be provided. Training requirements will be waived if an owner, member of management, or supervisor of the member/policyholder organization holds and maintains a WCF Insurance Safety & Health Associate or Master certificate from the WCF Insurance Safety Academy program.

Association members must meet program eligibility criteria established by WCF Insurance and the Utah Manufacturers Association in order to participate in the program. Termination of membership in the Utah Manufacturers Association, failure to comply with participation guidelines, or the expiration or cancellation of workers compensation coverage through WCF Insurance will void this agreement. Should you, for any other reason, elect to terminate this agreement, written notification must be submitted to the Utah Manufacturers Association and WCF Insurance.
