# A Workers Compensation Program Designed for UMA Members

## THE PROGRAM

The Utah Manufacturers Association (UMA) has endorsed Workers Compensation Fund (WCF) as the carrier for UMA members' workers compensation insurance coverage.

By combining benefits designed to meet UMA members' needs with traditional services, the program offers the most comprehensive workers compensation package available.

## PREMIUM DISCOUNT

Eligible and enrolled UMA members qualify for a 5% discount on their workers' compensation premiums.

## PERSONALIZED SERVICE

Members have account service teams that work with the company to develop and implement a custom-tailored service plan that meets your needs.

## LOSS PREVENTION

Participating UMA members are required to comply with program provisions, including attendance at two industry-specific safety classes or seminars annually. To help meet this requirement, WCF Safety Department offers free seminars exclusively for members in addition to classes already offered throughout the year.

## CLAIMS MANAGEMENT

WCF offers the most convenient and exceptional claims management in the state. Claims can be filed via the Internet at [www.wcgroup.com](http://www.wcgroup.com) or by phone or fax. Members can also utilize WCF's secure website to view filed claims, print loss runs and certificates of insurance, complete OSHA forms, and access other policy-specific information.

*For details on eligibility for this program, please call the numbers listed below. Competitive quotes are available through WCF's direct sales staff or appointed independent agents.*
